November 16-17, 2018

There's been personnel and program updates to our symposium, including changes to our board of directors. This updated brochure reflects those changes.

A warm welcome is extended to all concerned and caring individuals who have a heart to redemptively care for those affected by sexual abuse. We expect over 700 church leaders, teachers and caregivers at this event. We're currently at over 50% capacity, and expect this event to be full soon. REGISTER NOW to ensure your place at this symposium!

VISION

This event seeks to bring an experience of redemption for sexual abuse in Anabaptist communities, according to the Gospel of Christ.

PURPOSE

To influence the Anabaptist Culture and its leaders towards healthy morality and to find Biblical solutions that help churches deal with sexual immorality and abuse.

GOAL

To bring relevant biblical content regarding sexual abuse to concerned and caring leaders and caregivers so that they can knowledgeably assist those who are suffering.

“ He hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised. ”
-Jesus
